**Description**

Located in downtown Walnut Creek, Liberty Bell Plaza celebrates three underground streams which run beneath the site. Blue interlocking pavers are symbolic interpretations of the underground streams while the fountain represents the streams' confluence and is an allegory to the birth of Walnut Creek. Extensive curving seat walls provide comfortable seating for employees and visitors.

**描述**

自由铃广场设置于核桃溪市中心于三条河流之上。蓝色的连结式铺设象征着地下河流，喷泉象征着流水合流点，也代表了核桃溪市的起源。弯曲的矮墙给与了雇员和游客舒适的休息座位。
