Description

Stanford Shopping Center underwent a major renovation which took four years to complete. Landscaped outdoor spaces include a water court, a sculpture court, and a town square which features a clock tower. New amenities such as fountains and flower-filled planters help to make this shopping center one of the most enjoyable outdoor malls on the Peninsula.

描述

史丹福购物中心近四年经历了较大的革新。室外风景地带包括了一个水池, 雕塑池, 和一座钟塔。新的喷泉和花坛使此成为半岛上最愉快的购物中心之一。湾区所有的购物者都到这里来购物。
