

**La Hacienda, Okamoto**  
**Baja, Mexico**  
Schematic Design

This is a one acre site in Baja, Mexico for a private residence. It is located between Cobo San Lucas and Cobo San Jose, facing beautiful views of the sea of Cortez. Robert La Rocca & Associates provide a Comprehensive Master Plan, which includes the architectural foot print and all the other amenities including an entry fountain, Koi Pond, cascade stream, art works, swimming pool and guest house.

The main house is designed in a Hacienda style with local tile roofing and arch arcades for shade.
