Project Architect

Dates

Completion: 2002

Cost

\$17,000 – Landscape
\$2,000,000 – Full Project

Prime Consultant

Michael Willis Architects
San Francisco, CA

DESCRIPTION

As part of a low income housing renovation, the Community Center landscape was upgraded. The residents requested a colorful design with flowering plants. A variety of low maintenance, native and non-native, drought-tolerant plants was selected to provide year-round interest.
